

10-4-U Saves Club Members \$\$\$ Got Card?

Beginning 1 October, Club Members can save money with PACAF's new 10-4-U program. When PACAF Club members show their club card at most Force Support Squadron facilities, they will receive a 10% discount. This includes rounds of golf, games of bowling, arts and crafts classes, equipment rentals, FSS restaurant/snack bar purchases, and more. A complete list of Andersen FSS facilities providing discounts can be viewed at http://www.36thservices.com/Documents/10-4-U_Discount_List.pdf. There is a required \$4.00 minimum purchase to receive the 10% discount. Members who have a Mastercard Club Card (versus the Proprietary Club Card) also earn 2 points for each \$1 charged in FSS facilities with the Military Free Cash Rewards Program. Once members accumulate 2,500 points, they can choose from a \$25 check or \$25 gift card from participating merchants such as Best Buy, Borders, and Macy's. Those who aren't club members and wish to join to reap these benefits can pick up an application at all participating FSS facilities and turn in the application to the Top of the Rock Collocated Club. There are exclusions to the 10-4-U program such as Child Development Center fees, Lodging (Air Force Inns), Veterinary services, and Military Dining Facilities, etc. Exclusions are based on funding, vendor agreements, Air Force Instructions and congressionally mandated fees and charges.

For questions on 10-4-U, call or e-mail Ms. Dee Hollenbeck, Club Manager, at 366-6166 / dee.hollenbeck@andersen.af.mil.
